

Club Liability Insurance for Transporting Players (Hired/Non-Owned Auto Liability Insurance)

Optional Insurance for US Lacrosse Teams and Leagues

DOES YOUR CLUB RENT VANS TO TRANSPORT PLAYERS TO EVENTS? DO YOU ORGANIZE CARPOOLS OF PARENT VOLUNTEERS TO DRIVE PLAYERS TO GAMES OR TOURNAMENTS? *If so, you need to consider purchasing "Club Liability Insurance for Transporting Players."*

BACKGROUND INFO – What insurance is provided to members of US Lacrosse? Member Players, Coaches and Officials/Umpires are automatically covered by a combination of Accident Insurance (\$1,000,000 limit per injury) and Liability Insurance (\$2,000,000 limit per occurrence). In addition, for Teams and Leagues that are 100% registered with US Lacrosse (meaning ALL players and coaches are members) the liability insurance extends to cover the team/league as an entity. This means that for 100% registered teams/leagues, the liability insurance protects the team/league (and the board or volunteers) for lawsuits stemming from bodily injury or property damage to others that occurs during lacrosse activities.

AUTO LIABILITY EXCLUSION: One important exclusion in the US Lacrosse liability policy is that there is NO COVERAGE for **Auto Liability or for lawsuits involving transportation of participants**. For example, if a coach is involved in an accident while driving players to a tournament and the players' parents sue the league, that claim would be **Excluded** under the policy.

Now, however, US Lacrosse is offering a solution for teams/leagues who need this protection for their club.

US Lacrosse \$1,000,000 Limit Club Liability for Transporting Players (Excess Hired/Non-Owned Auto Liability)

What is covered? **Club Liability for Transporting Players** provides liability coverage to the Club, Team or League if they are sued as a result of an Auto Accident involving injuries or property damage to others. Coverage FOR THE CLUB (Team or League) applies only in the following scenarios:

- Clubs, teams or leagues must be 100% registered with US Lacrosse in order to purchase this coverage
- The Club must officially designate members or volunteers to drive on behalf of the Club, such as --
 - A coach is asked to drive the rented van to a tournament
 - A parent is asked to carpool 5 players to an event
 - A volunteer Team Mom is asked to drive to the store to pick up 3 cases of Gatorade during an All-Star game
- Coverage does not apply to vehicles owned by the Club (you need your own Auto Liability policy for that). Driving on behalf of the league must be in a rented vehicle or vehicle owned by the coach, parent or volunteer.
- The driver may (or may not be) transporting players in order for coverage to apply, but must be driving on "Official Business" of the club. This coverage does not extend to anyone driving their child to a regular game or practice.

IMPORTANT NOTES:

- ✓ The Club Liability for Transporting Players (Hired/Non-owned Auto liability) coverage is EXCESS over any other applicable insurance.
- ✓ Any individuals driving a vehicle on behalf of a US Lacrosse Club, Team or League must be aware that this coverage is not a substitute for their personal auto insurance nor does it protect them as a Driver.
- ✓ This policy is designed to protect the organization and board members who may be sued as a result of lawsuits arising out of transporting players or designating others to drive on official club business.
- ✓ ***This is liability for lawsuits only: No Physical Damage coverage (Comprehensive or Collision Damage) is provided by this policy for hired/rented vehicles or for non-owned vehicles.*** IF YOU ARE RENTING VEHICLES, YOU STILL NEED TO PURCHASE THE RENTAL CAR INSURANCE TO PROTECT THE DRIVER FOR LIABILITY AND THE VEHICLE FOR PHYSICAL DAMAGE.

Who is eligible to purchase this Insurance? Club Liability for Transporting Players (Hired/Non-owned Auto liability) coverage can only be purchased by clubs, teams or leagues that are 100% registered (all players and coaches) with US Lacrosse -- preferably those groups who register through www.USA Lacrosse.com, League Athletics or similar program, or who use group registration through the US Lacrosse Membership department.

What is the cost of this coverage? Premiums for this Club Liability for Transporting Players insurance vary by state (see attached). The premiums shown are for organizations who spend less **than \$7,000 per year on rental vehicles**. If your club spends more than \$7,000 per year renting vehicles to transport your players, your policy will need to be individually rated. Please contact RPS Bollinger directly for a quote in those cases.
